EXPERIENCE

Nils Taranger, Remote — *Creative Producer*

JAN 2013 - PRESENT

- **AI Model Evaluation:** Evaluate generative video and image outputs for a leading technology lab to refine next-generation creative tools.
- **Creative Strategy & Workflow Consulting:** Partner with EdTech organizations to architect scalable production infrastructures, integrating AI-assisted workflows that reduced production timelines by 20% while maintaining high editorial standards.
- **End-to-End Media Production:** Write, direct and produce brand films and media projects from concept to distribution.

Vue Mastery, Remote — *Creative Producer*

JAN 2018 - SEP 2025

- Partnered with executive leadership to execute end-to-end production pipelines for global educational content.
- Owned media production operations from raw instructor recordings through post-production and multi-channel distribution, utilizing Keynote and the Adobe Creative Suite.
- Managed production schedules, asset readiness, approvals, and delivery timelines across **60+ courses**.
- Supported instructors with on-camera delivery guidance and recording best practices to ensure professional-quality content.

- › Architected and deployed an AI-assisted post-production pipeline that reduced production time by approximately **20%**.
- › Managed blog and social media accounts (Medium.com, YouTube, and X), contributing to **400%+ YouTube subscriber growth**.

Various Productions, Orlando, FL — *Production Assistant*

2009 – 2012

- › Worked on-set for feature films and television productions filmed at the Universal Orlando backlot and elsewhere, including Scare Zone (Feature), The Tenant (Feature), Bad Mom (Pilot), The Inbetweeners (Pilot), Letters to God (Feature), Dr. G Medical Examiner (TV), and Forensic Files (TV).
- › Gained hands-on experience in professional studio production environments, supporting crew across various departments and learning industry-standard workflows.
- › Developed understanding of set dynamics, production logistics, and the collaborative nature of large-scale entertainment productions.

SELECTED PROJECTS

A Blue Flower — *Writer/Director/Producer*

- › Directed and produced feature-length independent documentary as master's thesis project at University of Central Florida. Oversaw all aspects of production from pre-production planning through post-production editorial and delivery, demonstrating comprehensive creative and technical leadership.

Broken Records — *Producer*

- › Produced experimental short film that premiered at the Slamdance Film Festival. Created a SAG signatory production company, handled casting and production logistics, creative collaboration, and festival strategy for critically recognized independent work.
